

A green sea turtle is swimming gracefully in the ocean. It is positioned in the center-right of the frame, facing towards the right. The turtle's body is a mix of dark green and brown, with distinct scutes on its shell. Its head is turned slightly to the right, and its flippers are extended. In the background, a large, powerful wave is crashing, creating a massive spray of white water that covers the left side of the image. The ocean water is a deep, vibrant blue. The overall scene is dynamic and captures a moment of natural beauty.
